Screenshots of MRDSS trainings based on member's positions. Reminder there are 3 main trainings for each position: Individual Training, Education and Training, and Comprehensive Medical Readiness Program (CMRP). This document will go through each training for each position before it goes into another training.

Administration for this Training: Comprehensive Medical Readiness Program (CMRP)

This category consist of around 5 different jobs. Let me know when you get here and you need this information. It gets a little technical with people's jobs. The other 2 trainings above for Administration is pretty straight forward.
